The Wollersheim Winery sits on a scenic hillside overlooking the Wisconsin River, just across from Prairie du Sac, Wisconsin. This national historic site was selected by European vintners over 150 years ago and is one of America's oldest winery properties. Established as the Wollersheim Winery in 1972, today the vineyards are comprised of 27 acres of French-American and American hybrid grapes. This regional winery has received numerous Double Gold awards for its premium grape wines and has gained recognition as being one of the leading wineries in the Midwest.
