## DISTILLERY

FAMILY CRAFTED SPIRITS

*Distiller's notes*

### TWO MILE BOURBON WHISKEY

*Distilled from our High-Rye recipe mash and aged in new, charred American oak barrels, Two Mile is the perfect Bourbon for any occasion.*

**STORY:** It is impossible to drive more than two miles in any direction from the distillery without passing a corn field. So when it came time to start sourcing the grains for our Bourbon, we knew we wanted to work with our local farmers. Two Mile Bourbon Whiskey celebrates our historic ties to distilling and our deep roots in this farming community.

**DISTILLED FROM:** "Sweet mash" of 66% corn, 22% rye and 12% malted barley

**DISTILLATION METHOD:** Single distilled using our Vendome with batch Column

**AGE:** Over 4 years in 18 month seasoned, toasted then charred, new American oak barrels

**FILTRATION:** Non-chill filtered

**SERVING:** Perfect for sipping, or to use in classic whiskey cocktails.

**ALCOHOL:** 45% alcohol by volume (90 proof)

WINEMAKER PHILIPPE COQUARD AND SON-IN-LAW TOM LENERZ BRING A WINEMAKING APPROACH TO THE SPIRITS WITH ATTENTION TO TERROIR, SLOW FERMENTATIONS AND QUALITY OF WOODS SOURCED FOR BARREL AGING, RESULTING IN THIS FINE SPIRIT.
