Distiller's notes

FAMILY RESERVE BOURBON WHISKEY

Made with wheat instead of rye this Bourbon recipe takes extra time to develop but results in rich character and luxurious texture with age.

STORY: Our family is proud to share this single barrel bourbon, hand-selected from some of our oldest and finest barrels. Made in extremely limited quantities our "wheated" mash bill is used to produce this decadent bourbon.

DISTILLED FROM: "Sweet mash" of 75% corn, 10% wheat and 15% malted barley

DISTILLATION METHOD: Single distilled using our Vendome with batch Column

AGE: Over 8 years in 18 month seasoned, toasted then charred, new American oak barrels

FILTRATION: Non-chill filtered

SERVING: Perfect for sipping, or to use in classic whiskey cocktails

ALCOHOL: Cask Strength (varies from barrel to barrel)

DISTILLER TOM LENERZ AND WINEMAKER PHILIPPE COQUARD BRING A WINEMAKING APPROACH TO THE SPIRITS WITH ATTENTION TO TERROIR, SLOW FERMENTATIONS AND QUALITY OF WOODS SOURCED FOR BARREL AGING, RESULTING IN THIS FINE SPIRIT.
