Little Brother Beaujolais

French Family Dry Red Wine

A perfect family inspiration! This Beaujolais wine is a blend of our French family's two vineyards, located about 12 miles apart in the Beaujolais region of France. This wine is made in the traditional Beaujolais style and is a light-bodied, classy wine. Well-balanced, with delicate fruit aromas reminiscent of raspberry and subtle earthy notes.

Aging: Four to eight months in large casks

Sweetness: Dry

Story: "This collaboration is something our father always wanted to do," says winemaker Philippe. "My little brother Jean Francois selected this wine to capture the essence of the clay and limestone soil at the two vineyards."
